## IMPORTANT NOTICE TO RADIOLOGISTS

### LAST WEEK TO REGISTER!

---

### CARDIAC CT COURSE – NOVEMBER 3 & 4

#### Qualify to Read Cardiac CT – 50 Cases

With only one week to go registrations are filling up quickly for the OAR Cardiac CT Program offering 50 cardiac reads on November 3-4, 2007 at the Ontario Bar Association Conference Centre in Toronto.

The Cardiac CT Training Workshop is designed to provide radiologists with Level 1 Cardiac CT Angiography education with mentored case review of a minimum of 50 CTA reads and case review testing using an automated response system.

The CAR has accredited this program for 8.5 Section 1 Credits within the Maintenance of Certification Program of the Royal College of Physicians and Surgeons of Canada.

#### Key Note Speakers:

Dr. Joseph Schoepf, Medical University of South Carolina  
Dr. Carole Dennie, University of Ottawa  
Dr. Ali Islam, University of Western Ontario  
Dr. Yves Provost, University of Toronto

Further details can be downloaded from the OAR website ([www.oar.info](http://www.oar.info)).

Don't miss out! Registration is filling up quickly and the program is already 90% sold out!

**The OAR now accepts Visa, Mastercard and American Express.  
Please e-mail your registration or call Faye Williams at the OAR office.
