Perry J Pickhardt, MD Chief of Gastrointestinal Imaging, University of Wisconsin, Madison, WI

Leslie Quint, MD, Professor of Radiology, Cardiothoracic Imaging, University of Michigan Ann Arbor, MI.

NIAGARA-ON-THE-LAKE:

Stroll back through history and enjoy world class theatre, fine dining, shopping, our estate wineries, farm markets and historical sites.

Niagara-on-the-Lake, often called the loveliest town in Ontario, has a long and distinguished history. Site of the old Neutral Indian village of Onghiarra, it was settled at the close of the American Revolution by Loyalists coming to Upper Canada, many of whom had been members of the much feared Butler's Rangers based during the American Revolution at Fort Niagara, then under British control.

TODAY, over two hundred years after its founding, Niagara-on-the-Lake hums with a different kind of traffic. Its many attractions include historic sites - Fort George and the Historical Society Museum, the Shaw Festival with its three theatres, the marina, our heritage business district for shopping, golf courses, parks and beautiful farmland, agricultural markets and our world famous Niagara wineries. Come to the many special events held throughout the year! Take a carriage ride through the Old Town, or a jet boat up the Niagara River. A short drive along the scenic Niagara Parkway leads to Queenston Heights and Niagara Falls. Check out the Butterfly Conservatory at the Niagara Parks Commission site. Our town attracts thousands of visitors who stroll the old streets, enjoy the comforts of fine hotels or our charming bed and breakfast homes, dine in our many varied restaurants, and, if even for a little while, journey back in time to a more leisurely time - the age of Niagara-on-the-Lake!

HOTEL INFORMATION

White Oaks Conference Resort
and Spa

Niagara-on-the-Lake

CME CREDITS

This event has been submitted for approval as an accredited group learning activity under Section 1 of the Framework of CPD option for the **Maintenance of Certification Program of RCPSC** for 12 credits.
